For purposes of this title, the term “renewal community” means any area—

(III) to provide assurances satisfactory to the Secretary of Housing and Urban Development that such commitments will be fulfilled,

(iii) the Secretary of Housing and Urban Development determines that any information furnished is reasonably accurate.

#### **(5) Nomination process for Indian reservations**

For purposes of this subchapter, in the case of a nominated area on an Indian reservation, the reservation governing body (as determined by the Secretary of the Interior) shall be treated as being both the State and local governments with respect to such area.

#### **(b) Period for which designation is in effect**

##### **(1) In general**

Any designation of an area as a renewal community shall remain in effect during the period beginning on January 1, 2002, and ending on the earliest of—

##### **(3) Earlier termination of certain benefits if earlier termination of designation**

If the designation of an area as a renewal community terminates before December 31, 2009, the day after the date of such termination shall be substituted for “January 1, 2010” each place it appears in sections 1400F and 1400J with respect to such area.

#### **(c) Area and eligibility requirements**

(II) 1,000 in any other case, or

(ii) is entirely within an Indian reservation (as determined by the Secretary of the Interior).

##### **(3) Eligibility requirements**

A nominated area meets the requirements of this paragraph if the State and the local governments in which it is located certify in writing (and the Secretary of Housing and Urban Development, after such review of supporting data as he deems appropriate, accepts such certification) that—

##### **(4) Consideration of other factors**

The Secretary of Housing and Urban Development, in selecting any nominated area for designation as a renewal community under this section—

(A) shall take into account—

(ii) if such area has census tracts identified in the May 12, 1998, report of the Government Accountability Office regarding the identification of economically distressed areas, and

(B) with respect to 1 of the areas to be designated under subsection (a)(2)(B), may, in lieu of any criteria described in paragraph (3), take into account the existence of out-migration from the area.

#### **(d) Required State and local commitments**

##### **(1) In general**

The Secretary of Housing and Urban Development may designate any nominated area as

a renewal community under subsection (a) only if—

(A) the local government and the State in which the area is located agree in writing that, during any period during which the area is a renewal community, such governments will follow a specified course of action which meets the requirements of paragraph (2) and is designed to reduce the various burdens borne by employers or employees in such area, and

(B) the economic growth promotion requirements of paragraph (3) are met.

**(2) Course of action**

**(A) In general**

A course of action meets the requirements of this paragraph if such course of action is a written document, signed by a State (or local government) and neighborhood organizations, which evidences a partnership between such State or government and community-based organizations and which commits each signatory to specific and measurable goals, actions, and timetables. Such course of action shall include at least 4 of the following:

(i) A reduction of tax rates or fees applying within the renewal community.

(vi) The gift (or sale at below fair market value) of surplus real property (such as land, homes, and commercial or industrial structures) in the renewal community to neighborhood organizations, community development corporations, or private companies.

**(B) Recognition of past efforts**

For purposes of this section, in evaluating the course of action agreed to by any State or local government, the Secretary of Housing and Urban Development shall take into account the past efforts of such State or local government in reducing the various burdens borne by employers and employees in the area involved.

**(3) Economic growth promotion requirements**

The economic growth promotion requirements of this paragraph are met with respect to a nominated area if the local government and the State in which such area is located certify in writing that such government and

State (respectively) have repealed or reduced, will not enforce, or will reduce within the nominated area at least 4 of the following:

(A) Licensing requirements for occupations that do not ordinarily require a professional degree.

**(e) Coordination with treatment of empowerment zones and enterprise communities**

For purposes of this title, the designation under section 1391 of any area as an empowerment zone or enterprise community shall cease to be in effect as of the date that the designation of any portion of such area as a renewal community takes effect.

(A)(i) at the time such community was nominated, such community would have met the requirements of this section using 1990 census data even if such tract had been included in such community, and

(ii) such tract has a poverty rate using 2000 census data which exceeds the poverty rate for such tract using 1990 census data, or

(B)(i) such community would be described in subparagraph (A)(i) but for the failure to meet one or more of the requirements of paragraphs (2)(C)(i), (3)(C), and (3)(D) of subsection (c) using 1990 census data,
